BROOKLYN COLLEGE

Commencement

100th
Graduating Class

The Star-Spangled Banner (The National Anthem)

O say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watch'd were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Fanfare and Alma Mater

On campus green, with towers of marble
Lifting white spires in air.
Oh, Brooklyn is our Alma Mater,
And she is wondrous fair.
Within the gray halls ever lit,
The lamps of learning burn,
And ever on to goals of glory
Young eager spirits yearn.

Message From the President of the Brooklyn College Alumni Association

Dear Class of 2025,

Rosa Parks said, “To bring about change, you must not be afraid to take the first step.” This year, you take one of the biggest steps of your lives: that of a student into the “real world.” You have worked tirelessly to get here and, thankfully, you are not walking alone; you have behind you a world-class education from one of the finest public colleges in the country and the knowledge that we will always be here for you.

Not only have you finished your education, your first two years were completed via Zoom. That’s part of what makes Brooklyn College so special: the willingness and desire of our students to learn no matter what the circumstances (combined with the tireless devotion of our faculty and staff!). Hopefully, you will carry this dedication with you for years to come.

Along with my fellow members of the Brooklyn College Alumni Association (BCAA), I could not be happier or prouder that you are joining our organization. You are now among the 165,000-strong BCAA members around the world—including the Class of 1975 graduates who are here today celebrating their 50th “Golden” Reunion. It’s a particularly special ceremony today as it’s the 100th Commencement for Brooklyn College!

No one does this alone, so let’s acknowledge all the people in your life who helped you get here: your family, friends, fellow students, and faculty. They, like you, should be incredibly proud.

Welcome to the BCAA and please stay in touch with us about all your adventures and accomplishments.

Congratulations on taking your first step into tomorrow!

Valedictorian

Carrie Ebbin is a proud member of the Macaulay Honors College at Brooklyn College. She majored in business administration with a concentration in marketing and minored in consumer behavior.

As a third-generation Brooklyn College student, Ebbin has always felt a natural connection to the institution, which has fueled her commitment to leadership, advocacy, and student engagement on campus. When she learned about an open seat in the Undergraduate Student Government (USG) senate in her first semester, she decided to take the risk and run, even though it was a role more commonly assumed by students further along in their college careers. She won the election, worked hard to learn the ropes, and developed the skills that would make her an integral part of the USG team. The following year, Ebbin served as vice president and then went on to serve as president as a junior, leading the first all-female slate to win in USG history. During her tenure, Ebbin spearheaded a student involvement initiative, using marketing strategies she learned in her classes, which led to a 400% increase in student election votership.

Additionally, Ebbin represented students across all CUNY campuses as a University Student Senate (USS) delegate and as the CUNY Board of Trustees Audit Committee student representative. She was a key contributor to the "Our CUNY" campaign, promoting diversity and inclusion across the university.

She was a featured speaker at the 2024 CUNY Women's Conference, empowering other students to step up, get involved, and make a difference. In recognition of her exemplary contributions to the campus, she was awarded the 2024 Brooklyn College Alumni Association (BCAA) Student Award.

Throughout her college career, Ebbin worked as a part-time social media manager. She interned in Small Group Marketing at Elevance Health in summer 2023 and in Lifecycle Marketing at Talkspace in summer 2024. Her work at Talkspace led to a full-time role as a Lifecycle Marketing Associate, where she continues to help connect people with affordable and accessible mental health care.

She also just completed her first New York City half marathon. Ebbin leaves Brooklyn College proud of what she helped build, grateful to those who shaped her journey, and eager to keep learning, leading, and making an impact.

Salutatorian

Damien Niesewand

is graduating with a Bachelor of Arts in psychology and a double minor in LGBTQ studies and creative writing.

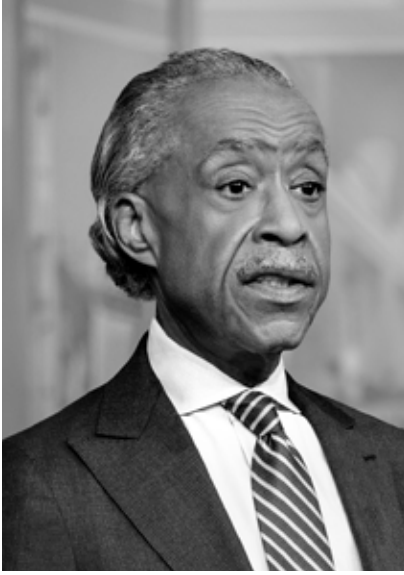

A transfer student from Kingsborough Community College, their tenure as a work-study student

at the Women's Center has made their face a familiar one to many of their fellow students—not only when they are at the center, but also when volunteering to assist with events run by student organizations and the Wolfe Institute for the Humanities.

Niesewand has made numerous contributions to student publications, including pieces in *Stuck in the Library* and *The Junction*, the annual literary magazine of the Riverrun Club—of which they were treasurer. Through their internship with the English Department, they have written weekly pieces for *The Junction Journal*. They will miss running weekly writers' circles and biannual open mics most of all.

When not on campus, Niesewand can be found working at their second job as a childcare provider and writing poetry. They spent their first year at Brooklyn College as an intern at a crisis hotline for marginalized people—an internship made possible, in part, by a Magner Career Center internship stipend. Now that their internship has ended, they continue to volunteer as a crisis responder. In fall 2025, they will be returning to Brooklyn College to work towards receiving a master's degree in mental health counseling. Niesewand plans to become a therapist who specializes in providing affirming and trauma-informed care for LGBTQ+ clientele. They are motivated by a deep belief that we all have an obligation to leave the world a kinder, safer place than we entered it.

Presidential Medal of Honor Presenter

As one of the preeminent civil rights leaders of our time, the **Rev. Al Sharpton** serves as the founder and president of the National Action Network (NAN), anchors *PoliticsNation* on MSNBC, hosts the nationally syndicated radio

shows *Keepin' It Real* and *The Hour of Power*, holds weekly action rallies, and speaks out on behalf of those who have been silenced and marginalized. Rooted in the spirit and tradition of the Rev. Dr. Martin Luther King Jr., NAN boasts more than 100 chapters across the country to promote a modern civil rights agenda that includes the fight for one standard of justice, decency, and equal opportunity for all. Today, Sharpton and

NAN continue advocating on behalf of the powerless, and keep up the fight for voting rights, pay equity, police reform, reproductive rights, fair housing, health care, LGBTQ rights, environmental justice, quality education, and so much more. The network empowers youth leaders around the country to carry the torch of freedom and justice forward. Sharpton speaks on the world stage, addressing racial disparity in a host of nations, reminding everyone that nobody is truly free until we are all free.

Sharpton resides in New York City. He is the proud father of two daughters, Dominique and Ashley, and the grandfather of Marcus Al Sharpton Bright.

Presidential Medal of Honor

Shirley Chisholm (1924–2005) was a pioneering force in American politics, renowned for her relentless dedication to social justice and equality. An alumna of Brooklyn College, from which she graduated in 1946 with a degree in sociology and

education, Chisholm went on to become the first African-American woman elected to the U.S. Congress in 1968, representing New York's 12th District until 1983. Throughout her tenure, she boldly advocated for issues such as education, health care, and civil rights, becoming a symbol of empowerment and inspiring countless individuals to pursue their dreams in politics and beyond.

In 1972, Chisholm made history again as the first Black woman to seek the presidential nomination of a major political party, emphasizing the importance of representation and the intersectionality of race and gender. Her campaign motto, “Unbought and Unbossed,” along with her now-iconic saying, “If they don’t give you a seat at the table, bring in a folding chair,” encapsulated her fierce independence and refusal to conform to the status quo.

Chisholm’s impact extended beyond her legislative achievements; she was also a passionate educator, advocating for early childhood education and community engagement. Throughout her life, she remained committed to uplifting marginalized voices, promoting equality, and addressing issues of inequality. Today, her remarkable legacy lives on, serving as a beacon of courage and determination. This posthumous Presidential Medal of Honor recognizes Shirley Chisholm’s extraordinary contributions to American society and her enduring influence on future generations.

The Board of Directors of the Brooklyn College Alumni Association

The Brooklyn College Alumni Association and the Office of Alumni Engagement provide services and programs for Brooklyn College alumni. These include the support of educational and social programs for regional chapters, classes, professional and cultural affiliate groups, and the issuing of ID cards that enable alumni to use selected resources of the college.

The Brooklyn College Alumni Association provides a lifelong association between Brooklyn College of the City University of New York and its alumni by supporting the mission, students, faculty, and programs of the college. The primary charge of the Alumni Association is to foster, maintain, and enhance the alumni connection to the college by providing activities, services, and programs for regional chapters, graduating classes, and professional and cultural affiliate groups. Upon graduation, alumni begin a lifelong relationship with the college. Many participate as mentors, internship sponsors, and career advisers in programs designed to assist students while they are still in school.

Disclaimer

The names listed in this Commencement Program represent candidates for graduation for September 2024, December 2024, February 2025, June 2025, and September 2025. To have their names appear in this program, students must have filed notice with the Office of the Registrar by the communicated deadlines that they expected to complete all their academic requirements by either June 2025 or September 2025, which would enable them to participate in the May 2025 Commencement.

The names of students who filed after Feb. 15, 2025 (for June 2025 candidates), or March 15, 2025 (for September 2025 candidates), may not appear in this program. Students who believe they filed before their respective deadline dates, but do not see their names listed in the program, should contact the Office of the Registrar.

Every attempt has been made to publish an accurate record of the names of the graduates and of those receiving special recognition. It should be noted, however, that because of production deadlines, the program may contain some errors and/or omissions, despite all efforts to the contrary. The preferred student names in this program appear as they do in CUNYfirst.

The listing of candidate names in this program is not a verification of graduation. To confirm graduation, please contact the Office of the Registrar.

Due to the timing of publication, cum laude, magna cum laude, and summa cum laude honors are not listed for June 2025 or September 2025 baccalaureate candidates. Dean's List honors do not appear in this publication. Baccalaureate double majors are listed under their primary major only; minors are not listed.

This Commencement Program reflects students' preferred names as they appeared in CUNYfirst as of March 15, 2025. If you did not have a preferred name in the system at that time, your primary (legal) name will be reflected in this program.

Official documents such as diplomas will only reflect a student's primary (legal) name as it appears in CUNYfirst, which may not be the same as the preferred name.
