## Council on Academic Accreditation - Notice of Public Meeting

The Master of Science program in speech language pathology (residential) at CUNY Brooklyn College is scheduled for an in-person site visit as a follow up to the periodic CAA reaccreditation review, which was conducted during the fall of 2021.

As a part of the reaccreditation review, we are asked to solicit public comment from consumers by arranging a "Public Meeting" for the site visitor to meet a representative sample of program stakeholders.

## This meeting is scheduled for Monday, May 1<sup>st</sup> at 1:00-1:30PM in room 3428 Boylan Hall of the Brooklyn College campus.

There is no need to RSVP for the meeting, please simply show up if you are able to and would like to. It is important for the site visitors to receive feedback from our consumers and other stakeholders.
