TO BE CONSIDERED FOR A FEDERAL WORK-STUDY OFFER?

  - Click here to refer to FATV for information on when you can file your FAFSA.

- Not all students who file their FAFSA are offered FWS funds.

Students with an FWS offer can view that information on their CUNYfirst account. You must ACCEPT THE FWS OFFER(S) on your CUNYfirst account prior to the placement process. Students must meet the following conditions to be eligible:

FWS EARNINGS

- How many hours can I work per week?
  - Twenty (20) hours is the maximum.
- Can I earn as much money as I want?
  - No. Your FWS offer represents the maximum amount you may earn for your placement period. How much of the total offer you actually receive depends on your rate of pay, the total number of hours you work each week, and the number of weeks you work.
    - You cannot be paid with FWS funds for hours worked in excess of your offer. Once you have earned your maximum FWS offer or are no longer eligible to participate in the program, you must stop working.
    - The FWS offer can only be earned by working. Any remaining offer balance is not paid to the student.
- Are my FWS earnings taxable?
  - FWS earnings are considered taxable income by federal, city, and state governments. If you are required to file a tax return, your FWS earnings are to be reported as wages.
  - FWS earnings are excluded in the calculation of your eligibility for federal financial aid. (See FAFSA instructions)
  - If you work off-campus, or if you work during periods of non-enrollment (such as winter intersession and summer or spring break), FICA (Social Security taxes) may be deducted from your earnings.
I am currently receiving unemployment. Do I have to report earnings with the unemployment office?

- **Yes.** If you are currently receiving unemployment benefits, you should **contact** the NYS Department of Labor **BEFORE** accepting a FWS job to see how this might affect your benefit rate or continued eligibility for unemployment benefits.

How do I get a letter verifying that I am working in the FWS program?

- You may **request** a FWS employment verification letter. Please **contact** the office via email (fws@brooklyn.cuny.edu) for additional information. When the campus is open you must physically pick up the letter confirming your employment history. We cannot send employment information to any agency on your behalf.

- **Students should retain copies of their placement documents, hire approval email, and all payroll files (time sheets, check stubs, etc.) for future reference.**
Supervisors and students **MUST** follow the FWS Payroll Schedule to properly complete and submit time sheets. Time sheets are generally for a period of two weeks.

- **Supervisors must complete the time sheet entry every day the student reports for work on TimesheetX.**

- **Time sheets are submitted online by the FWS supervisor.**

- **Student should** review their time sheet each work day to verify your supervisor has entered the hours worked.
FWS PAYROLL PROCEDURES (CONTINUED)
