Proposal Routing & Internal Approval Form

This form must be reviewed and completed in its entirety. This form must be completed by the Principal Investigator before the grant can be submitted. ORSP is not authorized to process your application without approval of the Department Chair and Divisional Dean. The Proposal Routing and Internal Approval form should be completed and submitted to the ORSP with each grant proposal. To insure that there is adequate time for review, please fill in sections 1 and 2 and submit the form to the ORSP 10 business days before the deadline.

Instructions

Section 1

Sponsor:

- Please include the agency name (NIH, Dept. of Education), as well as the program solicitation name and number if available (e.g., RFA #, or CFDA #).

Project Period:

- Please indicate the dates for the entire project period.

Budget Information

- If your project involves equipment purchases, additional or renovated space, or special facilities, please check the appropriate box and provide additional details.
- Indicate the facilities and administrative costs (indirect costs) rate used. If the rate used is not the College's federally negotiated Department of Health and Human Services rate (57%, modified total direct costs), indicate the reason for using lower rate (i.e. Sponsor/Program cap).
- If the project involves released time for ANY FACULTY member, check the appropriate box and provide the name, semester, percent time and effort requested, and the number of credits of reassigned time for each person for whom released time is requested. Questions about budgeting released time should be addressed to ORSP.

College Commitments All college commitments must be approved prior to proposal submission.

- Cost Sharing/Matching Funds: Indicate whether any of the costs for the project will be borne by another grant, tax levy funds, or another funding source. If any of the funds will be provided from another source, provide the project name, grant # and amount.

Compliance Information

Human and Animal Subjects

- If your research involves human or animal subjects, the project must be approved by the Institutional Review Board for the Protection of Human Subjects (IRB) or the Institutional Animal Care and Use Committee (IACUC) before the research begins. If you already have approval for the proposed project, indicate the approved protocol number; if not, check "Pending".

Sections 2 and 3

- It is important that your department chair, divisional dean and the College administration are informed about your project and the college's commitments. Section 2 provides space for the department chair and divisional dean to sign off on your application.
- The signature of the Principal Investigator, Department Chair and Division Dean are **REQUIRED** for ORSP review and the applications final submission.
- When sections 1 and 2 are complete, the ORSP will forward the form to the AVP for Finance, Budget, and Planning/ Comptroller and Provost & Vice President for Academic Affairs.
