2. **Procedures for evaluating agreement, i.e., tracking the number of students who transfer under the articulation agreement and their success:**

   We will use the CUNY Institutional Research Database to track our transferring students (i.e., progress, GPA, retention, and graduation).

3. **Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisers, Websites, etc.:**

   This articulation agreement will be publicized on the KCC and BC websites. Transfer advisors at KCC will promote this agreement with eligible students, as will KCC's recruiters who work with potential students both in the high schools and in the wider community. When

possible both programs will coordinate to provide information sessions to students on the subject of transferring either virtually or in person. Each fall and spring graduating majors in KCC-Education Studies EC will be provided with early enrollment forms to facilitate their transition into BC-ECAE.

E. Additional Information (e.g., financial aid, transfer scholarships)
